Please help me find my owner.

They have been kidnapped by the
person they are 'visiting', developed
early onset Alzheimer's or broken down
in their other car.

I started out as a good idea, what with the promotion. I was only £634 plus VAT/month. But look at me now. Leaves, moss, bird shit. My owner burned out, moved to Dorset. Could you maybe pump up my tyres a little - Oh that's lovely, thank you.
